Kathy,

If you'd be willing to draft these, that would be awesome:

I thought it was done too but not in the place I'd expect them. What I can do is help I do have copies of what we sent to MI and NJ which are short and sweet. I can help craft this am if you'd like.

Ex. 6 Personal Privacy (PP)

MI to FWS

And others. Why don't I take on some or all the letters I don't know what else is on your plate.

Kathy,

I was positive you put drafts of these on the sharepoint and I think you confirmed it yesterday but for the life of me I can't find them. Do you know what folder they're in? Jeaneanne has asked to get drafts to share with Mary this week.
